

## **A Community Center in the Heart of the Community!**

*Volunteers created this Café with the support from people like you in our community so that our friends & neighbors have a place to gather, get to know one another & learn about things going on in our town.*

*We are a non-profit venture with a goal of supporting not only this community center, but other non-profits & groups in our community. We host fundraisers,*

*classes, music events, & much more. Local artists of all ages are offered a place to showcase their work on our gallery wall. Local*

*musicians are welcome to grace our stage on Thursday Spaghetti Nights or our Free Music Friday Nights.*

*Dedicated community members & volunteers are the life-blood of Dryden Community Center Café—please consider joining us as a supporting member or a volunteer.*

## Your Community Center Needs You!

### We owe it all to our volunteers!

Dryden Community Center Café (DC3) was started & continues to operate solely because of hard-working, dedicated volunteers with an interest in having a safe, convenient & relaxed meeting space with homemade goodies & sandwiches available (not to mention the best coffee in Dryden!).

### There is a place for you here, too!

Do you have an interest in learning Café operations? Are you a home baker who wants to share your talent? Can you help with minor building maintenance with your handy skills? Are you interested in teaching a class or forming a discussion group? Do you want to be a part of the decision making process & be a part of what happens here at DC3?

Our volunteers are always willing to talk about their experience here. Fill out our volunteer application & send it in or stop by the café!

## No Experience Necessary!

Here at DC3 we believe that everyone can contribute, no matter their skill level. This is a great place to learn new skills necessary to any job field: team work, commitment, following instructions and customer service.

We will train our volunteers to follow health & safety guidelines while preparing food for cooking & service, washing dishes & general cleaning. The Café has full espresso barista service & will train any volunteer interested in learning those skills. Learn how to take customer orders, ring up a sale & serve with a smile!

## Sharing Your Skills

The Café needs volunteers with skills that include building & maintenance, business management, marketing & PR, volunteer coordination, among others to serve on our special committees. Our Board of Directors appreciate volunteer & member input & participation when projects need to be done.

The Community Center is a space that can be used for classes/group meetings. Do you have a skill you are interested in teaching others? Do you have other ideas about getting people involved in the community? Talk to the manager or a Board member about the details.
